From the East

Brethren,

I would like to thank everyone who helped fill in for the degree. Also, the hard work they did practicing for the degree, it is paying off in spades. Brethren, the endowment plaque is now on the wall. We have some brothers that are working toward the \$1000.00 number. This is money that is put away to keep the lodge funded into the future. This money is tax deductible. There will be more information in the future about this. The lodge is in need of being more financially sound now and for the future.

Worshipful Brother Ed Correa will be speaking on a topic of Masonic History at our March Stated Communication.

I hope to see many of you then.

Sincerely & Fraternally,

W. : Michael S. Henry, Master

Masonic Quote of the Month

CABLE TOW'S LENGTH: 'Gädieke says that, "according to the ancient laws of Freemasonry, every brother must attend his Lodge if he is within the length of his cable tow." The old writers define the length of a cable tow, which they sometimes called a cable's length, to be three miles for an Entered Apprentice. But the expression is really symbolic, and as it was defined by the Baltimore Convention in 1842, means the scope of a man's reasonable ability.'
