From The East

Brethren,

As I was sitting here to write the message, I was thinking it has been almost two years now, that I have been Master. Where has the time gone? The lodge as a whole is progressing forward well. To the Brothers that could not make the meeting last week: the Entered Apprentice degree went great. We had thirty people for dinner. We had six new people that came to dinner that I think will be back.

We are on track to make three Master Masons before the end of the year. Right now we have three Fellow Crafts working, as well as one new Entered Apprentice and one more November 28th. I would like to see our stewards at the visitation, also our two Fellow Crafts, that will be Raised, if eligible, on November 5th.

I am still collecting metal and computers for the lodge. We will have a check-in November for the lodge from this fundraiser.

For the new brothers; is your question, "I am a Master Mason; now what?"

The simple answer is: Continue to seek further light. Seek it with a purpose. We will be having another guest speaker program on April 5th. Three people will be presenting.

(Continued on opposite side)

From The East (Con't)

As for our current membership, we have 105 brothers. Just some facts about those members. We have 45 members that live out of state. We have 12 brothers that are over the age of 90. So when we get thirty brothers to Lodge, we are getting about half of our available membership in attendance. To the brothers that are out of town, the Lodge would love to hear from you. When I receive a letter, it is read in lodge. Also brothers, if any one needs help with something, please call me so we can give you the help you need. Until next time.

Sincerely & Fraternally,

W.: Michael S. Henry, Master
