From The East

Brethren,

We had two new Fellow Craft made on September 23rd, Jason Merrill and Tyler Crosson. The degree went really well. Our Senior Warden, Chris Busby did an outstanding job as Master. Some of the other outstanding parts were by Bro. Ryan Flynn and Worshipful Brother Steve Bahsler.

What saddened me was that there were no Brothers on the side lines of this degree. The Brothers worked hard on their lessons. I hope people will come back this fall.

In November, we will probably have a Master Mason degree. We will need the Fellow Craft and a couple other people. Please step up and help out.

At our visitation last year, we had thirty people there, officers and brothers. We had the most in the district, last year. So I would like to see us start out on the right foot this year. Let's fill the room with Ancient York members on October 7th.

Our Brother Robert Durfee will be the brother to hold the walking stick. He is a 70 year member and lives in the Hunt Home. There will be his picture up in the lodge soon. He was born in 1918.

We are still working on bringing the George Washington Inaugural Bible here from New York to Ancient York Loge next fall. Work is progressing along. More information will be posted.

Sincerely & Fraternally,
W.: Michael S. Henry, Master
