Nashua, New Hampshire

Fraternal Greetings,

For the past 7 months, I have been involved with a massive undertaking in a lodge in North Carolina. Blackmer Lodge No. 127 has been transforming their lodge room into something truly magnificent. New murals, a new vaulted ceiling, updated furniture... and more. The reason I mention this is that under the leadership of few a small lodge tucked away in a small country town accomplished something astounding, something that will change Freemasonry in North Carolina for years to come. If a tiny lodge can do it, why can't we?

Our building is full of potential, yet needs a lot of work. We luckily have good men working tirelessly to keep up maintenance and cleaning for our building, but perhaps its time to assist them more. In the coming months a lot of discussion will be made about small projects that I hope we as a lodge will come together and achieve. Projects such as painting, cleaning and organizing, as well as larger projects like construction. If you are willing to help, then by all means make sure it is well known. I see an upcoming revival of Masonry in Nashua, and it will require all of our help. So let's get moving and make a difference in New Hampshire Freemasonry!

Fraternally,
Ryan Flynn

Quote of the Month

The Society or Fraternity of Freemasons is more in the nature of a system of Philosophy or of moral and social virtues taught by symbols, allegories, and lectures based upon fundamental truths, the observance of which tends to promote stability of character, conservatism, morality and good citizenship.
