Fraternal Greetings,

In the May stated communication, the lodge will be discussing a potential change to our by-laws. For years, the idea of going dark in the winter, rather than the summer has been brought up. For reasons such as icy roads, dark driving times and general safety especially for our elderly brothers. We will be discussing this option and, if a motion is made, will be tabled to our June stated communication.

This change would also move our Annual Communications, elections and installations of officers.

Another potential change would be moving up our starting time of our stated communications, to allow us to get out at an early time in the evening.

We will be sending out letters and emails in the coming weeks to ask each of you for your thoughts on these issues, which will be mentioned at our June stated communication. Hopefully these potential changes will make it easier for many of you to come back to lodge more often .

Fraternally,
Ryan Flynn

Quote of the Month

The real secrets of Masonry are never told, not even from mouth to ear. For the real secret of Masonry is spoken to your heart and from it to the heart of your brother. Never the language made for tongue may speak it, it is uttered only in the eye in those manifestations of that love which a man has for his friend, which passeth all other loves."

— William Howard Taft
