

The Beehive

May, 2019 A.D.; 6019 A.L

Nashua, New Hampshire

Brethren,

I want to thank the Brothers that came to the party at the White Birch on March 30.

We had fifteen Brethren on the sidelines for the April meeting and three interested men that came to dinner. We also read two petitions.

Our Entered Apprentices are busy learning their lessons to prepare for their next step.

Our Evening of Masonic Light is on June 1, please purchase your tickets and spread the word to assure a good turnout.

There will be a Halloween Party at the White Birch scheduled for October 26 after the Jenks Lodge Degree in Nashua.

In closing, let's keep the Lodge going in the right direction. May our Masonic family grow through love and support for one another.

Fraternally,

Michael S. Henry
Master

Quote of the Month

It is not the number of books you read, nor the variety of sermons you hear, nor the amount of religious conversation in which you mix, but it is the frequency and earnestness with which you meditate on these things till the truth in them becomes your own and part of your being, that ensures your growth.

-Frederick W. Robertson

Evening of Masonic Light - June 1st

The Evening of Masonic Light is just around the corner. We have recently expanded the lectures for the event by adding a third speaker! The evenings lectures will be:

Hiram Must Die by Chuck Dunning

What if there is another way to understand the third degree myth which is central to our Masonic journey? What if it contains clues about the secret workings of the psyche that ensure we have plenty of opportunities for liberation and renewal? This presentation offers such a perspective, and challenges its audience to see the story of Hiram Abif continually playing itself out within themselves.

The Divine Master by Ryan Flynn

In 1508, one of the most famous men in history managed to combine operative and speculative Masonry. Together we will discover clues hidden in his art which will beg us to ask the question, was this man a Freemason?

Be the Rebellion: Star Wars and the Masonic Hero's Journey by Michael Jarzabek

Both Star Wars and Freemasonry were designed to be a mythology for a lost generation. Mythologies aren't ancient relics, they are meant to be applied and used to stimulate personal growth. "Be the Rebellion" is an exploration on how to do just that.

Tickets are only \$26, and need to be purchased soon. Please don't delay its going to be a fantastic event!

Veterans Night

Ancient York has scheduled a Veterans night for July 13th, please plan on attending and honoring our brothers who have served their lodges for so many years. This is going to be a great night. Wor. Henry has asked especially that all Past Masters attend.
