

ANCIENT YORK LODGE N^o 89

Greetings from the East

Greetings Brethren,

I hope you all enjoyed your St. Patrick's day celebrations. Some Brothers from Ancient York got together with our Brothers at Rising Sun for their stated communication on St. Patrick's day to spread the cement, and had a great time in and out of the Lodge. Uniting in fraternal activities with our Sister Lodge has been one of the many activities I have been encouraging during my time in the East. I hope it continues, as they are some great Brothers and together we will all be a stronger Nashua Masonic community.

At our Stated Communication in April we will be opening under the Fellow Craft Degree and having an educational piece focusing on the Masonic Pillars. RW. Flynn will be doing fantastic presentation on the pillars. Many of our Brothers have seen the presentation and it is one of the best pieces they've seen. If you can make the meeting, it is worth it.

I would like to give special thank you to a couple Brothers that helped the Tolls St. Mission this month. Wor. Brother Henry and Brother Brian Murphy helped in getting 5600 pounds of food moved for the mission. Over the last 12 months, Ancient York has helped by getting more than 50,000 pounds of food moved for the mission. I truly appreciate your time and realize how rewarding it is to both of them, as well as to the mission.

RW Busby and your officers have been working diligently to organize the 150th Anniversary celebration event, so keep an eye out for your invitation. I hope we see all of you either in person or on line June 13th as it is sure to be a great time. Stay well my Brethren and I hope spring ushers in a healthy and prosperous season for you all.

Easter is a time to celebrate rebirth. The grass is growing, the days are getting longer, and the farmers look to plant their crops for the year. To celebrate the Easter holiday, we will be having a ham dinner for our April Stated Communication. Brother, I hope to see you all there and look forward to breaking bread with everyone.

Ancient York Lodge No. 89 150th Anniversary Celebration

2021 marks the 150th anniversary of our beloved Ancient York Lodge No. 89. To commemorate this special occasion, the Lodge will be holding a Semi-Public celebration on June 13th at the Nashua Masonic Temple starting at 2:00 PM.

There will be an event in the lodge featuring several different speakers and music by Wor. Brother Joseph Olefirowicz. This will be followed by a Ladies at the Table where the Brothers can meet and share in their Brotherly Love.

Invitations are in the mail as we speak. To learn more, register for the event, and purchase tickets to the Ladies at the Table, visit <http://www.ancientyork89.org/ancient-york-lodge-150th-anniversary-information/>.
