ANCIENT YORK LODGE N° 89

Greetings from the East

Greetings Brethren,

I hope everyone is enjoying the spring weather. As we move forward, Ancient York will be very busy. We have our 150th anniversary celebration up coming and there is a lot of fun planned for June 13th. We have a very good lineup of presentations, from a Masonic speaker as well as a presentation from a Brother who is also from the Nashua Historical Society. I urge everyone who plans on attending to purchase a ticket as soon as you can, as we need to have an accurate head count for the Ladies at the Table.

We are also rehearsing for an upcoming Master Mason Degree for our two of our Brothers who did a fantastic job on their proficiency. Their Mentors have done some great work.

As I have said in the past, as we see Covid cases start to decline, and vaccinations go up, I hope to see some more Brothers join us in person for some fellowship. If you haven't been to a meeting in a long time, I hope you will be able join us again soon and meet some of the new Brothers and officers.

Hope to see you soon.

Mike Mader
