

Greetings from the East

Brethren,

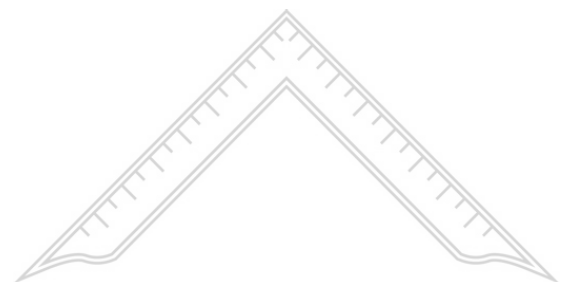

Ancient York Lodge remains very active in 2022. Over this past month we raised two Brothers, Bill Murphy & Joe Caouette. We also affiliated Brother Mike Turilli to our lodge as a member. Br. Turilli hails from R.I. originally, but is a welcomed addition. We hosted the 2nd District and our very own Right Worshipful Ryan J. Flynn for an enlightening discussion on Master Mason Degree meanings and messages, and contemplated many of the deeper concepts of this degree. Along with the Nashua Masonic family we worked to end hunger in Nashua as part of the "End 68 Hours of Hunger" effort.

May will be no less busy, and I certainly invite each and every one of you to join us in all we do. May 1st is the deadline to purchase tickets for the Masonic Con Festive Board. I know of at least 6 of your officers who will be attending that jovial event. May 3rd is the quarterly Trustees of the Masonic Apartments meeting. Be sure to reach out to Worshipful Mader with any thoughts or suggestions for him to bring to the Trustees as our Representative. May 7th, two events are happening, our Junior Deacon, Andy Lane is being Fezzed as a new Shriner at Bektash Shrine, and EdComm is presenting a Master Mason Education Seminar at Horace Chase Lodge. May 10th we open our Stated Communication under the Master Mason degree, and our Junior Warden, Pete LaFauci will present the education piece on "Subduing our Passions". May 21st will be the Annual Meeting of the Grand Lodge of New Hampshire.

There is a lot more coming up! Keep your eyes open for an email from the East on all the projects we have going on.

Don't forget to get your tickets for Masonic Con!

Fraternally Yours,
W.:. Gary D. Waters Jr.

Greetings from the West

Brothers,

This upcoming Stated Communication I will be presenting out a piece on *Subduing our passions*.

During the last few years, our lives were turned upside down. During this time we experienced an emotional toll that was very trying. I know that I personally have gone through various emotional states in such depths that I hadn't gone through before. As we start to return to normal, how we address our emotional state has become more important. I look forward to the conversation we'll have in our Lodge.

An Introspective Approach to the Master Mason Degree

On April 5th R.W. Brother Ryan Flynn engaged a group of brother in a conversation around the Master Mason Degree. Unlike a lot of other educational pieces, R.W. Flynn approached this conversation in a more personal way. While a lot of educators will come in and talk to us about what certain symbols represent, or what a passage in the ritual might mean, R.W. Flynn had us think about what it meant to us.

From that we had a great conversation on our own personal interpretations of the ritual. Every Brother shared their own experiences and how the topics made them think and feel. We ended the evening with a practice in vulnerability. And being vulnerable with our Brothers is how we can build trust and love among the Lodge.

Nashua Masonic – End Hunger Drive

Brethren,

We once again we had an opportunity to help out our community.

On Monday April 18, we packed bags of groceries for the school children of Nashua in need, so that none may go hungry over the April vacation. We will met at the warehouse space at 17B Airport Road at 5:30PM.

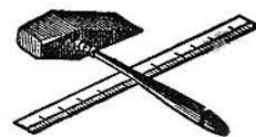

Once set up, the “Masonic Family Machine” zipped through the packing, finishing by 6:00 PM.

We had members of Ancient York, Rising Sun, Pilgrim Chapter, and Rainbow all helping out. This was an outstanding event and we look forward to giving back more in the future.

If you or any Brothers have something to share with the Lodge, please don't hesitate to reach out. We love to share our expereinces with our Brothers.
