

ANCIENT YORK LODGE N° 89

Brethren -

The days are getting shorter, and the air is getting crisper, but it's not time to hibernate. Masonry is alive, well, and active in Nashua.

We just voted in the positive to initiate two new brothers, which means we are ramping up our ritual to the next level. We will be performing two separate Entered Apprentice degrees, both in the form of a "Step Up". Our Senior Warden, Br. Peter LaFauci will be sitting in the East for one of the degrees, and our Brother Junior Warden, Corey MacLean will preside over the other. Please be sure to reach out to offer them both your support and assistance.

Traditions continue between Jenks Lodge and Ancient York Lodge. Saturday, October 29th, Ancient York will be hosting our brothers from Rhode Island as they perform a Master Mason degree to raise 3 brothers to that sublime degree. After this event, we will be heading out to dinner and a brewery tour which our Brother Senior Warden, Peter LaFauci has put together. See the events later in this TB for more specifics.

Speaking of traditions, Ancient York will be holding our November Stated Meeting at William Pitt Tavern in Portsmouth. I am honored to announce that Most Worshipful David Collins will be attending our November Stated as well. I hope to see many of you there as well.

Our officer team are also working on putting together a Holiday Party for December. We will have more specifics as we finalize the plans for this, and as always, we welcome input and help from all of our brothers.

Speaking of holidays, don't miss the Nashua Holiday Stroll on November 26th.

Finally, from my home to yours, my wife Kelly and I wish you and your families all a very happy Thanksgiving.

Sincerely,

Wor. Gary D. Waters Jr.
Master, Ancient York Lodge #89

Greetings from the West

Brethren,

Over the Summer me, along with Bro. Lane, had the opportunity to help our one of our Special Ladies, Mariette Eftimiou. We spent some time taping and painting her kitchen and sunroom. As a Special Lady, if it's within the length of our Cable Tow, we need to be helping her out as we can.

But I'm not here to talk about that. What I will say is we had a great opportunity to help out a very sweet lady that I hadn't met before taking on this task. And that was way more important to me than being held to a duty.

We often talk about wanting and needing more out of Masonry than just our business meetings. Well, I can tell you that I was able to get a great feeling by giving service to someone that appreciated it. Additionally, Bro. Lane and I were able to have great conversations about a whole range of topics, from Masonry to music to TV shows. It was an awesome experience and if an opportunity comes up, I highly encourage you take the opportunity to not only help out someone, but do it with a Brother.

Some great art can be yours!

Brethren,

Wor. Mike Henry has a great opportunity for a couple of luck Brothers.

Below are two Stain Glass pieces of art that were specialty made. These lived in David Henry's house but are now looking for a new home.

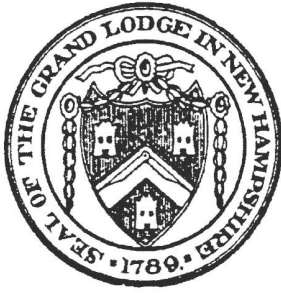

Wor. Henry has been generous enough to donate these to the Lodge and we will be making them available soon to any Brother who might be interested as part of a silent auction.

More information to come, but be on the look out as these pictures don't do them justice.

If you have any questions, please let one of your officers know. We'll be happy to answer.

Any Masons with Acting ability? We need you too!

Several years ago we developed a short vignette, mimicking a Famous Masonic Visit to the Tavern. We plan to do this again where we will have 3 to 4 actors perform this vignette (3-5 minutes long) every 30 minutes during the stroll. The Brethren will be dressed in costume and relate how a visitor is greeted in a Lodge.

Able to Help?

If you would like to volunteer to be a guide and/or actor please send Name, Lodge, Phone #, & Email with your availability to: wpt@nhgrandlodge.org
