

ANCIENT YORK LODGE N^o 89

Greetings from the East

Brethren -

First, thank you for entrusting me with a 2nd year as Master of Ancient York No. 89. It is very difficult for me to find the words to express just how much your endorsement and this responsibility mean to me. We all love this Lodge and everything that comes with it. I promise and swear to do my very best to keep our fraternal home healthy and happy. As the saying goes, "Leave it better than you found it."

As you most likely have seen or heard, 2022 was a pretty darn good year for Ancient York. 2023 will be even better! Our officer line has matured, and your officers are in lock step to get more done this year. We have a number of events planned, and a few scheduled. Some of those events - We will start with 2 Entered Apprentice Degrees in February, the 9th Edition of our Evening of Masonic Light, Ladies at the table Dinner, Veterans Night, Past Master's Dinner, Autumn Costume Party, 2nd Annual Holiday Party, travel to the Mount Owl's Head degree in Montreal, and more. We are aiming to travel to Washington D.C. to potentially perform a degree for one of our candidates. We are also hoping to perform a Master Mason degree on the U.S.S. Constitution later this year!

There is a lot more going on that just these items, but those are some highlights. I guarantee we will have fun doing these things, but they would be even better with your attendance and involvement. Each and every one of you are important to this Lodge. If you don't want to be put to work, that is fine, just let the Master know that you want to sit on the sidelines and be a Mason. As Master of this Lodge, I can honestly tell you that I just want to see you in the Lodge or at our events. Let me and your officers do the work. Your attendance makes the work is much sweeter as a result.

Let's all have a great year!

Fraternally Yours,
Gary Waters, Worshipful Master

From the West Gate

Love is in the air!

February is the start of our new Lodge Officers and I for one am excited about what our new year is going to bring.

I am saying this because this is a re-affirmation of my love for my Lodge. A lot of work goes into what we do, and I'm happy to put the work in.

We've been together a lot as an office team lately. We've had rehearsals, meetings, etc. These activities are not exclusive to our Officer Line.

We ask you all, Brothers, to join us in enjoying fraternity and Brotherly Love. The more time we spend together the closer we get.

And this is where true Masonry happens, with our Brothers.

Did you know...

Bro. John Wayne's nickname "Duke" came from his boyhood when he used to run around around town with the family dog--a giant Airedale. The local firemen used to call the two "Big Duke" (the dog) and "Little Duke" (the boy).

Now wasn't that interesting?
