

## Greetings from the East

Well brethren, it has been a wonderful Summer for Ancient York in general. As I have often said, "going dark" doesn't mean Masonry stops. We continued to gather regularly to rehearse for our Fellowcraft inspection, and to enjoy each other's company.

The inspection was performed on August 30th, and I could not have been more proud of every one of the brothers performing in that degree. We also had other work to do over the Summer, a couple of brothers stepped up and helped one of our ladies by performing some much needed painting around her house. However, the summer wasn't all work. We took every opportunity to get together for camp fires, cook outs and whatever other gathering we could make happen. I believe there wasn't one week this Summer that passed without some sort of get together.

We helped Worshipful Brother Mike Mader ring in his 50th properly with a very well attended B-Day party at the Thirsty Moose where over 25 people attended. Once again, our very own Worshipful Mike Henry hosted his annual Pool Party, and Worshipful Waters hosted a few cook outs as well.

So, Summer is behind us, and the Fall schedule is packed full of events. You will note that the visitations are all scheduled. There are 4 visitations in total because 3 of them are joint visitations. Ancient York will be working with Rising Sun to welcome Grand Lodge to our Nashua Temple. You will also note the L.O.I. sessions are scheduled as well.

The Fall isn't going to be all meetings though. There is a Unity Picnic, a Grand Ball aboard the M.S. Mount Washington, and at the end of October, Ancient York is Hosting Jenks Lodge for a Master Mason degree & Brewery Tour.

Please have a look at the schedule below in this Trestleboard.

We all hope to see you around.

## Greetings from the West

*"What we plant in the soil of contemplation, we shall reap in the harvest of action."*  
Mesiter Eckhart

Brethren, what a wonderful Summer it was. We had several events that really strengthened our Brotherhood. With all of these activities, we were able to see some Brothers come around more regularly. In addition, we had the ability to spend some time with a few prospective candidate and really get to know them and their family.

While we look to the West for the strength in our Lodge, our true strength lies with how our Brothers love and support each other. This Summer truly sowed the seeds that we will start to harvest over the rest of the year. If you haven't spent time with the Lodge recently, either in a meeting or an event, it's a great time to come by and re-connect.
