

From the East

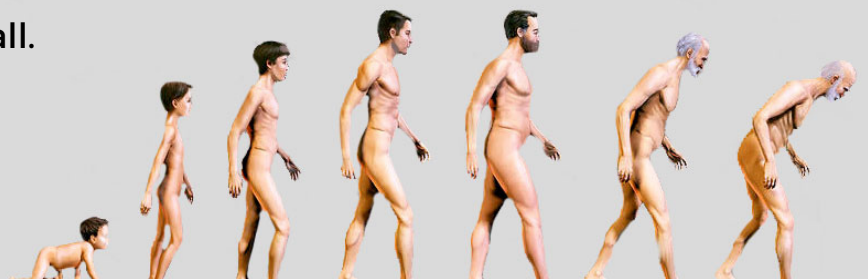

Brothers -

Freemasonry mirrors life in many ways. That is by design. We, look to the birth and growth, passing, and rebirth of a man in our ritual, our symbols, and lessons. I believe we also see this in our leadership line. Yes, I know, we can debate the model of how a lodge leadership line should be managed, but at Ancient York, and most lodges in fact, the line is progressive in nature.

I entered the line as a Junior Steward 10 years ago, and have grown and learned from the experiences of stepping through this line. When I was a Jr. Deacon, I could barely perform the floor work of our ritual, and really has no concept of the amount of work it takes to manage a lodge. I will tell you with absolutely no doubt, I was at my prime as a lodge officer when I was Sr. Warden, acting as the Strength & Support of our beloved lodge. Now, I am in the twilight of my time as Worshipful Master, and can feel the end nearing. As with life, I can spend the remaining time looking back and judging how I spent it, and perhaps regretting, or I can spend it rejoicing, and celebrating the awesome opportunity and experiences it has given me. I choose the latter.

Therefore, I humbly ask each of you take some time to join me in enjoying at least one more function or get together with our lodge Brethren before the end of the year. Let us celebrate this time, and our experiences together. We have many events still to come this year, including; Movie Night, Vet's & Past Masters Dinner, Visitations, Holiday Party, and there is a rumor our Worshipful Mike Henry is putting together a New Year's Party as well. We will also have ad hoc events such as evenings next to the fire pit at my house. Look to the last few pages on this Trestle Board for details on those upcoming events. I hope to see you all.

Fraternally Yours,
Gary D. Waters, Jr.
Worshipful Master

Happy Birthday to the following Brothers Raised in October!

Howard S. Ehrlich 22 Years

From the West Gate

My Brothers,

I'm typically here to talk about what is on my mind.

What is truly on my mind as of late is how we can include all of our Brothers in this great Lodge in all we do.

Your Officers have been working really hard to bring our Lodge to life. And we're not done yet.

What I ask of all Brothers, near or far, is what you are looking for from your Officers. We're here to serve all of you and deliver on an experience to bring joy and happiness to all who join us.

What can we do for you?

I know this is an open and potentially loaded question, but I really want to know.

Please reach out to either me, the Master, or Secretary and tell us what you expect from our Lodge.

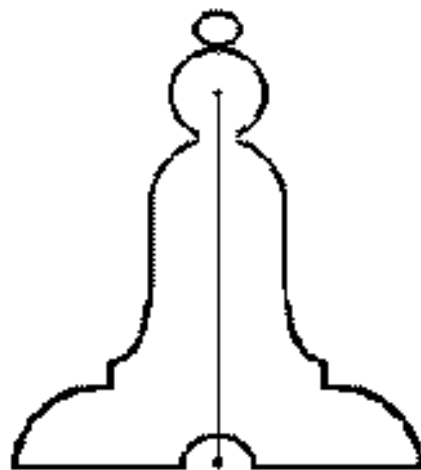

Or call. I'm happy to chat any time I'm available. My contact information is:

Do not hesitate to call me. I want to make this Lodge a home for all of our Brothers.
