

From the East

Brethren,

What a busy time it is right now to be a Mason! The month of September bring a lot of work to be done both in our Lodge as well as the District and State.

Our Lodge put on a wonderful Degree for Bro. Meireles, passing him to the degree of Fellow Craft. The Officers did a fantastic job. For those who missed this amazing Degree, you missed Wor. Henry's swansong in the East as a sitting Master for a Degree.

I do want to turn to some other thoughts Brethren. We are struggling with our attendance during our meetings and Degrees. Over the past year the Officers have been working hard to deliver some great Ritual, great Education, and striving to give everyone a place where you can disconnect for a few hours a month and just be men.

We are in better financial shape than we have been in the past, thanks to efforts from all of our past Masters. We have a lot of opportunities to celebrate with each other the greatness of our Craft and Brotherhood. We're just not having the types of response that we had hoped.

I am asking of you, Brethren, think about getting involved once again. Come to a Stated Meeting, join us during our Holiday Party, swing by during the Holiday Stroll in Nashua. Reach out to any one of your Officers, we're happy to just chat. I can understand if the October Stated Meeting in Portsmouth isn't feasible, we have our family, jobs, and other parts of our lives we need to attend to.

But if you can make it to our November Stated Meeting, we're going to start having conversations on what's next for our Lodge. My term is up in January, and I hope that we, as a Lodge can come together and set a direction for our future before my time is up.

As always Brethren, I am here if you. Just reach out. I awaiting your call.

Fraternally Yours,
Peter N. LaFauci
Worshipful Master
