

## From the East

Brethren,

For the second meeting in a row, we voted to admit a good man into our ancient and honorable Fraternity.

We are slowly but surely starting to get some new blood into our great Lodge. This will be our 3rd candidate for the Degree of Entered Apprentice we've had in less than a year.

We took a bit of a hit during the Covid year, and recovery was slow. I give a ton of credit to my two immediate predecessors, Wor. Gary Waters and Wor. Michael Mader, for the work they did during our ramp up after the Covid restrictions were lifted. Both of our Past Masters had a lot of work to do and I truly believe the growth we're starting to see is due in most part to the steps they took in setting Ancient York up for success.

But we can't take that for granted. The work doesn't stop with a few new successes.

Your Officers will be knee deep in preparing for two Entered Apprentice Degrees over the next month and a half.

But we still need to work and get out as a Lodge.

I have an ask- Please reach out to one of the officers and ask about how you can lend a hand with your Lodge.

We're looking for Brothers who just want to be involved, in any way.

And I'm not talking about in Degrees, or running the business of the Lodge. If you want to hang out, if you want to reach out to a non-profit to set up some time for the Brothers to go lend a hand, whatever it is.

We just want to make this the best possible Ancient York Lodge we can. And we want everyone to be a part of this success.

Fraternally Yours,  
Peter N. LaFauci  
Worshipful Master

Brethren,

We have a new candidate being Initiated this month with another soon after, and I couldn't be happier. Within six months, we will have three new Brothers.

While we would like to see more degrees in our lodge, what matters most is the strength of the men we bring in. Not in their physical attributes, but the strength of their commitment to the Craft, and of their character.

While it's great to bring these men to Light, it's more important that we keep them engaged so they remain strong in our lodge. Reach out to them; break bread with them outside of lodge.

We have more prospects in the wings and if we're lucky, we'll see several more degrees in the next year. I ask that you make the effort to get to know them on a personal level at our suppers and gatherings. You might find a future Brother that you'll make a lifelong bond with.

Fraternally,

Bro. Peter Daigle

Junior Warden
