

# ANCIENT YORK LODGE N<sup>o</sup> 89

## From the East

Brethren,

In January, Brotherly Love and Charity were on full display for Ancient York Lodge.

First, we were able to bring a new Brother into the Ancient York Family. And Brethren, this Brother is someone really special.

Right Worshipful Brother Brian J. Smith was invited to Ancient York to give a fantastic talk about the role “York” has played in the history of Masonry. This was a wonderful talk and greatly appreciated.

Well, we had other motivations. For those who missed it, in December we voted to make Wor. Smith an Honorary Member of Ancient York. We can list all that Bro. Smith does for us as a Lodge, and I wouldn't have room in this Trestle Board. I was so proud of our Lodge for voting him in, and I was so happy we were able to give him such a wonderful honor.

And then, on January 24<sup>th</sup>, a group of your Officers and Past Masters (and their Ladies) attended the Bridges “Love is in the Air” gala. This was a wonderful event that saw Ancient York getting out and showing their support for a great cause. The big winner on the evening was Wor. Gary Waters, who won the bid for an Open Air Flight out of Nashua Airport.

I'm so very excited about how we showed up as a Lodge last month. Charity and Brotherly Love are two important tenants in Masonry. I believe that we truly displayed both in January.

Fraternally Yours,  
Peter N. LaFauci  
Worshipful Master

## From the South

"Don't wait for the storm to pass, learn to dance in the rain."

- Vivian Greene

I want to thank everyone for electing me as as Ancient York's new Senior Warden. Your faith and trust in me is overwhelming. I will do my best to continue to earn your confidence.

The space between our December meeting and January, to me, always feels the longest. Maybe because during the Winter months we're more secluded. When there is inclement weather, we are less likely to venture out in a snow storm. And who wants to be in the cold when you could be warm at home with a nice hot cocoa? It's difficult to be motivated when the days are shorter.

But these are the months when we need to remember that if we feel this way, so, too, do our Brethren—especially our older Brothers who might not be able to go out in the snow and ice.

Reach out to your friends in the Lodge and visit them. They'll appreciate it. And try to connect with your Brothers you don't know as well and forge new bonds. In these isolated months it can make a real difference.

Fraternally Yours,  
Bro. Peter Daigle  
Senior Warden
